## Church Groups

During the current lockdown no church groups are meeting at the moment. Our uniformed groups plan to begin meeting after Easter.

## Lent Group

This year's Lent Course entitled *Caring for Creation* has now finished. Thank you to Leigh for leading the group and for organising the Zoom link. Also thanks to those who joined. It was interesting and helpful to consider our role in God's world as Christians in combating environmental issues and climate change and the potentially destructive effects of global warming (heating).

## Cream Teas

Our thanks to the Girls' Brigade for the cream teas delivered to us 'oldies'! There are some (but not too many) advantages of the aging process!
